

FISCAL NOTE

HB 1047 - SB 1246

March 24, 2007

SUMMARY OF BILL: Authorizes sheriffs whose POST certification is inactive or has not been active for over ten years to pass the currently required certification test within one year without attending the full recruit training program.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - \$2,000

Decrease State Expenditures – Not Significant

Decrease Local Govt. Expenditures - \$2,000

Assumptions:

- According to the Tennessee Law Enforcement Academy, only one sheriff in the state would be impacted by this bill.
- The cost of the full recruit training program is \$2,000. Therefore, there will be a decrease in local government expenditures and a corresponding decrease in state revenues of \$2,000.
- Any decrease in state expenditures due to one less student at the training program is estimated to be not significant.
